

Undergraduate Program Taught in English of Beihang University 2022

About Us

Beihang University is the first university in China focusing on aeronautical and astronautical education and research. Since its founding, Beihang has excelled as one of the first 16 key universities in China, given priority for development. In 2017, Beihang was chosen to participate in the Double First-Class plan, which includes major support from the Chinese Ministry of Education and other government departments to build a world-class university with world-class disciplines. At present, the university comprises more than 30 schools/colleges and covers 10 disciplines, including sciences, engineering, economics, management, humanities, law, philosophy, education, medicine and art. Beihang implements the “Global Campus Plan” to extend the Beihang campus to all corners of the world and let its students fully enjoy global high-quality educational resources. Since 1993, more than 7,000 international students from over 130 countries have enrolled at Beihang.
